COMPETITIVE EDGE'S BEHAVIOR MANAGEMENT PLAN

Our goal is to provide a safe environment for children to develop a healthy spirit, mind and body. We believe that children should make their own choices and take responsibility for their actions. Our policy is that behavior management is a function of engaging children in meaningful and stimulating activities which focus on positive role models, in addition to promoting respect for one's self and others in a climate of acceptance and fairness.

Acceptable Behaviors

- Based on the Golden Rule: "Treat others as you would want them to treat you."
- Children will respect the rights and feelings of others and will avoid disruptive behavior that would interfere with activities.
- Aggressive behaviors such as excessive force, verbal put-downs, and bullying will not be tolerated. Children will follow all directions given by the teacher and aids regarding safety procedures and will stay with the group for all scheduled activities.
- Children will respect the private property of others and will understand that stealing or vandalizing the property of others will not be tolerated.

Behavior Management Procedures

Step 1: When a problem arises which threatens the health or safety of him/herself, other children or staff, the staff will take immediate action to stop the behavior and inform the child of the disciplinary action that will be taken. If the severity of the inappropriate behavior warrants, or the child cannot be controlled in the area, it may be necessary to temporarily remove the child from the situation. The Parent/Guardian will be notified, and we will work together with the child to correct the inappropriate behavior.

Step 2: A call the parent/guardian to discuss the continuing inappropriate behavior. Should the behavior continue, the child will be suspended from the program. A conference between site staff, the program director, and the parent/guardian may be scheduled at this time.

Step 3: The Program Director will inform the parent/guardian (via phone call) of a three-day suspension for the continuing inappropriate behavior. No care will be provided by Competitive Edge. The parent/guardian remains responsible for paying all fees for that month. A written letter will be sent home outlining the suspension.

Step 4: After a third call from the Program Director has been made, and there have been several unsuccessful attempts to correct the child's behavior, the Program Director will notify the parent/guardian that the child is withdrawn from the Competitive Edge After school program. Written notification will follow.

***When a child's inappropriate behavior is extremely persistent in that it takes too much attention away from the needs and safety of the other children or the behavior is too violent, the possibility of suspending or dismissing the child from the program may be considered immediately. This decision is an important and difficult one to make. It will be carefully considered and discussed before action is taken.

I have read and understand the Behavior Management Policy.

Covid-19 Waiver

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19 The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people. Competitive Edge Martial Arts Training Center, LLC has put in place preventative measures to reduce the spread of COVID-19; however, the Club cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending the Club could increase your risk and you and/or your child(ren)'s risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that myself and/or my child(ren) may be exposed to or infected by COVID-19 by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the Club may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Club employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at the Club or participation in Club programming ("Claims"). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless the Club, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Club, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Club program.

Providing safe places for students to learn.

Competitive Edge has created a safe place for students in grade K -8th grade. This center will be open from 7 am-6 pm Monday through Friday. The purpose of this centers is to provide a safe setting in which students can learn among their peers during the times their schools are in virtual learning. While students are participating in our school program they are welcome to attend our Saturday classes.

The centers will be run by our trusted team (certified teach & aids), providing organized and supervised time dedicated to school work, along with time for play and physical activity. Social distancing does not have to mean social isolation. Feeling connected can improve a child's resiliency. Going to the Competitive Edge's **Virtual learning program** will provide a routine to increase their feeling of safety and security. And finally, having physical activity and fun will help keep their minds fresh and balanced.

Our Center program structure will be as follows:

- Days can be from 7 am – 6 pm serving grades K – 8
- Enrichment Activities (Martial Arts classes)
- Time dedicated for remote learning – We will accommodate specific virtual schedules
- Students will enjoy throughout the day to promote physical activity and a chance to recharge and focus
- Students will have the opportunity to participate in our martial art program
